The cookies are all homemade by loving little Italian ladies with generations of experience. Mamma, Nonna, Zia Maria, and Zia Anna, spend many hours baking and shaping these delicious little treats in their kitchens, and here at the pizzeria. They share their love of baking with us so that we can share with you. These cookies are made with love, joy and a 'little bit of sugar'

BVP Gelato

Italian Style Ice Cream three scoops \$4.95

It contains less butterfat than American style ice cream. Gelato also has less air and is less frozen than ice cream. Our brother Nick has taken a family recipe passed from our cousin Ralph in our family's hometown, Fuscaldo, Italy and perfected it. Ask about our flavors as Nikki changes them with the seasons. Each cup of Gelato is served with three scoops and a pizelle.

The Good Life

BUONA VITA PIZZERIA

Buona Vita 'Good Life' Pizzeria & Ristorante has been a dream of ours for years. We started this journey in 2008 using family recipes handed down to us from our ancestors, who came from a small town nestled in the mountains in Southern Italy called Fuscaldo.

Our families (the Bonavita's and Vilardo's) brought their love of food and family on their journey to a better life. Chef/ Co-Owner Matthew Frommeyer has put his spin on those recipes using top quality fresh ingredients-partnering with local farms & vendors to ensure top quality.

The names, pictures, stories and food are a testament to the bond of our heritage, family, and friends-past and present, which to us represents..... Buona Vita. The good life. Thank you and enjoy.

Buona Vita Pizzeria is a family owned and operated business. The stone oven is the heart of our kitchen where the pizzas and calzones are cooked at 650 degrees. All of the pizzas are homemade authentic Italian style thin crust, using locally grown specially blended flour.

Each pizza dough ball is hand rolled, made fresh daily, and no matter the shape, the dough ball is weighed evenly and consistently. The pizzas, calzones, and sandwiches are made to order, never pre-cooked. From start to finish, our hard work is a labor of love that provides great authentic homemade flavors and taste at a great price!
