*Buona Vita 'Good Life' Pizzeria has been a dream of ours for a long time. This is the food that we grew up eating. All of the recipes from the dough, sauce, sausage, meatballs, to the pastries have been handed down from generation to generation. The decor on the walls is a tribute to the family who came before us from the Bonavitas, Vilardos to the Frommeyers'. The names, pictures, and stories are a testament to the bond of our heritage, family, and friends past and present- which to us represents... Buona Vita!*

*Buona Vita Pizzeria is a family owned and operated business. The stone oven is the heart of our kitchen where the pizzas and calzones are cooked at 650 degrees. All of the pizzas are homemade authentic Italian style thin crust, using locally grown specially blended flower. The recipes originate from a small town nestled in the mountains of Southern Italy overlooking the Mediterranean Sea; Fuscaldò, the birth place of our family the Bonavitas. Their family name is the inspiration for our business name 'Buona Vita' which means 'Good-Life.' Each pizza dough ball is hand-rolled, made fresh daily, and no matter the shape, the dough ball is weighed evenly and consistently. The pizzas, calzones, and sandwiches are made to order, never pre-cooked. From start to finish, our hard work is a labor of love that provides great authentic homemade flavors and taste at a great price!*

**Gelato is an Italian Style Ice Cream.**

*It contains less butterfat than American style ice cream. Gelato also has less air and is less frozen than ice cream.
